### WHO WILL SIT BY THE PREMIER?

Ramsay MacDonald will go to United States to discuss with President Hoover the possibility of reduction in armaments.

Washington will watch with breathless interest the result of the conference between the two men. But what will interest Washington even more than the fate of her future battleships, will be who will sit beside the Premier at dinner.

Mrs. Gann, sister of and hostess for Vice President Curtis, has already disputed social precedence with Mrs. Longworth, wife of the House of Representatives Speaker. The difficulty has been met, in part, by the expedient of one lady or the other staying home from functions where the two were likely to clash.

But when the President dines Premier MacDonald, neither Mrs. Longworth nor Mrs. Gann can, in diplomatic courtesy, be absent. What will happen?

That is what Washington would like to know.

In Burton's translation of the Arabian Nights, there is one tale which records how the ambition of women caused much pain and trouble.

to an Arabian gentleman who certain genius had vouchsafed the privilege of three wishes.

It would be a sardonic contribution to the history of human relations if the ambition of Washington women should start a social war in connection with those very functions which are intended to promote international peace.

### ROYALTY AND LOVE

Canadians often are struck with the candor of England in discussing its royalty--handling it without gloves, so to speak. Therefore it is stimulating to read of the Prince of Wales' biography by W. and L. Townsend.

The Prince, these sprightly authors say, though modern, is old-fashioned enough to scorn marriage without love.

If that is his belief, there is nothing old-fashioned about it. Rather, it is the newest of the new, and establishes the Prince as a first-class iconoclast.

Royalty itself will appreciate the distinction, knowing as it does that

its very continuance for hundreds of years in Europe has depended on the principle of royal blood and the sovereignty first. That is the traditional sacrifice royalty has been called on to pay. If it were not, then we must scrap prettified plots and intrigues of fact and fiction, not to mention much of the gossip handed down to us by historians. And that would be too bad, for it might include the very biography we were discussing.

### THE PAN-AMERICAN HIGHWAY

The plan for an international network of motor highways extending from Canada to the southern tip of South America continues to develop. The recently concluded Pan-American Highway Congress at Rio de Janeiro showed an increasingly favorable attitude toward the project on the part of South American nations, with an increase in the road mileage actually constructed.

The importance of this plan hardly needs any emphasis. To the North American auto tourist it would open a vast new wonderland for travel and recreation. To the Latin-American nations it would bring a taste of the prosperity which Canada and the United States enjoy. And to the entire New World it would bring an invaluable increase in international understanding and good will.

### Empress Theatre Current Attractions

Coming attractions at the Empress theatre include several outstanding pictures of the year. Though these have played here before the public demand a second showing. There is no doubt that bigger crowds will attend the second showing in Macleod than saw them first run. The first outstanding picture is to show on Saturday night only, this week, entitled, "THE LEGION OF THE CONDEMNED."

In the cast are Gary Cooper and Fay Wray. This picture is one of intense interest and appeal and will be remembered by all that see it as one of the best shows ever seen. On MONDAY night only, October 7th another attractive show is offered, "THE FLAG LIEUTENANT." This is an outstanding British production that is highly praised wherever shown. It is a brilliant romantic drama of the British Navy and is full of thrills and action. A pretty girl and a handsome Lieutenant flirting, fighting and at a thousand sailors. You'll like it.

On TUESDAY night, October 8th a different type of story is offered, "THE ROUGH RIDERS," an outstanding cast--Noah Beery, Charles Farrell, George Bancroft, Mary Astor and others. With a cast like this wonderful entertainment is guaranteed and there will be lots of action and thrills mixed with the comedy. Its a great epic of the Rough Riders and well worth seeing. WEDNESDAY night, October 9th, "SPEEDY." Even if you have seen this before you will enjoy it a second time because it will make you forget your troubles and send you away happier for having seen it.

On THURSDAY night, October 10th, without any doubt, will be shown a picture with probably the greatest acting the screen has ever known--EMIL JANNINGS in "THE WAY OF ALL FLESH." Once seen you will never forget this picture. It grips you as nothing before ever did or will. Jannings in this is wonderful and its worth a special effort to visit. On FRIDAY night, October 11th, the Empress will not regret the time or money and it will linger long in your memory. The picture chosen to entertain you the last two days of the week--FRIDAY and SATURDAY, October 11th and 12th is without doubt a Superb production and worthy of capacity houses--"BEAU GESTE." This is well worth seeing twice and for those who have not had the privilege of seeing it--there's a treat waiting for you. By all means see "Beau Geste"--even if you have to drive thirty miles to get here. Also on Friday and Saturday the "Tarzan the Mighty" series.

### GENTLE HINT

Two golfers, strangers to each other, were drawn as partners in a seaside foursomes tournament. One was clearly a novice at the game. He had a positive genius for sending the mutual ball into the rough.

At last his exasperated colleague approached him and whispered, "You've paid your entry money, haven't you?"

"Certainly," replied the other. "Very well," said the first man, confidentially, "I just wanted to tell you that if you've paid, you are quite entitled to use the fairway."--Tit-Bits.

### OBEYING ORDERS

The young and keen police officer was being shown over his new night beat by the sergeant. "D'ye see that red light in the distance? Well, that's the limit of your beat. Now, get along with it." The young constable set out and was not seen again for a week. When he did show up at headquarters, the sergeant demanded furiously where he had been.

"Ye remember that red light?" asked the bobby.

"Well, that was a moving van bound for Newcastle."--Sporting and Dramatic.

### WHY NOT?

He (teaching her to drive): "In case of emergency, the first thing you want to do is to put on the brake."

She: "Why, I thought I came with the car."--The Automobileist.

Maybe the fruit and vegetable men are moping because that is the only way to decide who should handle the cantaloupe.

### MONTHLY MEETING OF STAND OFF WOMEN'S INSTITUTE

The Stand Off Women's Institute met last week at the home of Mrs. Chas. Johnson, Ardenville, when notwithstanding the busy harvest season, no less than 27 members were present. The monthly meeting of the institute is one bright spot every month in the lives of these farm women, and nothing but sickness keeps them from attending. The meetings are always interesting and instructive and they meet one another in a social way which would be impossible otherwise than at the Institute meetings.

Mrs. W. Murphy and Miss Eda Johnson were the convenors, and the program after the usual opening exercises was started by the company singing "Old MacDonald." Miss Nellie Alcock gave a reading entitled "Farmers Life." Miss Eda Johnson read an interesting paper on "Canadian Products." Mrs. G. Rowe gave a racy account of current events and Mrs. Wm. Murphy read a paper on "Canadianization."

The Spring Festival which is held in Blairmore each year, bears ample witness that talent is not lacking in the south. In past years, Macleod has not been able to contribute much to this enterprise because there was no organization. The Choral Society will completely simplify this.

Already, over twenty have signified their willingness to join this under the leadership of Mrs. Donald White. It is their aim to study music. Choral music particularly. They hope to learn and put on The Messiah before Christmas. After that, they will endeavor to do something larger.

We have been fortunate in the new management of our theatre. All the parents should be grateful to the Amateur Night which the management so kindly puts on every few weeks. But even the most kindly disposed critic must admit that there is no improvement in the efforts of the amateurs, it were better to abandon the idea. The Choral Society will give this ambition of Mr. Booth's its support. It will also be an organization behind the theatre if an opportunity presents.

### WEDDING BELLS

RINGLAND--SCOTT

The marriage of Miss Ethel Jean, second daughter of Mr. and Mrs. Thos. H. Scott, of Pincher Creek, and Mr. James Kenneth Ringland, son of Mr. and Mrs. James Ringland, of Macleod, was quietly solemnized at the manse of Scarborough United Church Calgary, at 8:30 p. m., Friday, September 20, the Rev. J. H. Gardien, B.D., former pastor of the bride, officiating.

The bridesmaid was the bride's sister, Miss Kathleen Scott, and the groom was supported by his friend, Mr. Gene Long. The ceremony was witnessed by the immediate relatives of the contracting parties.

The bride is one of Pincher Creek's most popular young ladies and the bridegroom, who was at one time stationed in Pincher Creek on the staff of the Canadian Bank of Commerce, is now on the staff of Tull & Arden Ltd., Calgary.

Mr. and Mrs. Ringland will reside in Calgary and the best of wishes and congratulations are heartily extended by many friends in Pincher Creek--Pincher Creek Echo.

itself of bringing in some good centers.

We cannot afford to sink ourselves in the activities of our social and business affairs. Every country must exist culturally as well as materially. It is as much the duty of any nation to contribute to the culture of the passing times, as it is to the wealth and business activity. Other parts of Alberta are well organized along all of these lines. Why shouldn't we be too?

The very best wishes of every true citizen will be with Mrs. White and her supporters in this new organization. It means a very great deal to any town to have a live musical atmosphere.

In passing, it may be said that this Society is worthy of support. Often, a very stupid person hopes to sound wise, by railing off criticism. Anyone can criticize. But it takes a really smart person to stick a shoulder under an enterprise and make it go. Wherefore it is requested that all those who can't sing, will not admit it by opining that others can't either. Those who can will do their best. If all others will give the Society real support, it will be able to branch out quite considerably and bring a much pleasanter social life to our town.

Be a booster for the Choral Society, and the town.

**J. D. MATHESON, K. C., AND MRS. MATHESON, HONORED ON OCCASION OF THE TWENTY-FIFTH WEDDING ANNIVERSARY**

Twenty-five years ago J. D. Matheson, K. C., and Mrs. Matheson, Macleod, were married by the Rev. John F. Dunstan, at Grove Presbyterian Church, Halifax, Nova Scotia, and this auspicious event in their lives was celebrated last Friday night when from 25 to 30 ladies of the Ladies' Aid and the congregation of St. Andrew's Presbyterian Church gave Mrs. Matheson a very great surprise when they presented themselves at her door, and on admittance, took possession of her home for the evening.

During the evening, which was spent in games and various social amusements, Mrs. H. H. McLean, Secretary of the Aid, in a short felicitous speech presented Mrs. Matheson with a beautiful silver rose bowl, at the same time reading the following address: "Dear Mrs. Matheson; We your friends and co-workers in St. Andrew's Ladies Aid wish you--Our most faithful member--to accept this little gift as a token of our affectionate esteem and heartfelt wishes for your happiness on this, the occasion of your twenty-fifth wedding anniversary. Very sincerely, St. Andrew's Ladies Aid." Mrs. Matheson in a few happy chosen words thanked the ladies for the lovely gift and for their kindly thoughtfulness and good wishes for her and her husband on this occasion. Both Mr. and Mrs. Matheson have been very consistent workers in St. Andrew's Church for many years. Mrs. Matheson in the Ladies Aid, of which she has been president on several occasions, and occupying that position at the present time. Mr. Matheson has been chairman of the Board of Managers for a number of years.

The ladies brought a bountiful supply of delicious refreshments, which were very much enjoyed. The entertainment was so delightfully pleasant that the ladies were loath to part, and kept the social activities up to a late hour.

## MACLEOD SCHOOL FAIR EXHIBITS WERE EXCELLENT—WET WEATHER INTERFERED WITH SPORTS PROGRAM

MacLeod School Fair is now a matter of history, and the rural young folks seemed to have a fairly good time, except that they were disappointed in not enjoying the fine program of sports which the Elk Lodge had prepared for them. The morning was wet and cold with the result that the sports had to be called off. However the boys of the Purple, true to their reputation, were equal to the occasion—when they found they could not hold the sports they at once made arrangements with the Empire Theatre proprietors to put on a special show in the afternoon for the kiddies, which needless to say was very much enjoyed.

The wet morning affected the number of entries to a slight extent, but notwithstanding that there were about 800 exhibits displayed for the critical eyes of the judges—without doubt the largest and best display seen in Macleod for many years. The judges were unanimous in their opinion that the quality of the exhibits was exceptional, especially in the vegetables and live stock. It was a tedious job for the judges to place the awards in some of the sections where there was a large entry, as it was not a question of selecting the three best out of an entry of from 20 to 30 but they had to select the ten best, as the Macleod Fair gives as high as 10 prizes where there is a large entry. Ten prizes were awarded in White Potatoes, and Catherine Coddington, Orton School, won the banner prize, Alice Freeman, Parkerville, being 2nd. Another big entry was in carrots, which was a wonderful display, and Melville Sillito and Glen Sillito, Orton, were 1st and 2nd. Orton won no less than six out of the ten prizes in this section. Alice Freeman and Glover Coddington were the leaders in the big entry of beets. No less than seven schools took prizes in the beet class, showing that the various districts could all produce good beets.

Three of the eleven schools taking part in the Fair did not show any vegetables. Turnips were a big class, and Elmer Hatten, Hazelmere, and Ernest Maunsell, Glenwillow, were 1st and 2nd. Sheaf Wheat was a good display with a very large entry, and Charles, Alice and Harvey Freeman took the first three tickets with two different varieties of registered wheat. The Freemans also took the first two tickets in turn of rats, and George and Margaret Mackintosh, Howe School, took 1st and 2nd in barley. In the live stock there was an exceptional big entry and it was late before the judging was finished. In the egg type of chickens there was a large class and all the prizes for pen, single cockerel and single pullet, went to the Orton School. Garth Leighton, Rathwell, carried off the 1st for best calf and Wilbert Orr was 1st for dairy calf, of which there was a big entry. Lambs were the largest entry in live stock, and Mark Walter, Mud Lake, was the 1st prize winner, also winning the Burns & Co. Special. Spring pigs, bacon type, had 12 entries, and Stanley Parker, Orton, got 1st and Burns special. The show was keen competition in the pony classes, J. Bozajski, Glenwillow, took 1st under 12 years, and Lillian Faulkes got the red ribbon, under 15 years. Charles Freeman taking 1st for pany and vehicle, these three also getting the special prizes for these classes.

The judges were Principal Gaudier, S. Robinson, W. J. Harper, Miss MacIntyre, all from S. of A. Clareholm, and Inspector Morgan, Lettbridge.

CERTIFIED AGENTS FOR JACK AND JILL SHOES

BY THIS Jack and Jill method of "Visible Fitting" there is no more guesswork; the child's foot can actually be seen in the shoe, and cramping of the little toes, that grow so quickly, avoided. Children thus fitted will not need arch supports and other appliances in later years. For never does a "Jack and Jill" Shoe bind growing bones or muscles. Firmly constructed yet flexible as a glove, they allow the feet to grow unhindered. Sturdy and strong to stand the wear and tear of active youngsters, yet priced very moderately.

## LOCAL AND PERSONAL NEWS

W. H. Shield, M. L. A., was a visitor in Edmonton last week-end.

Dr. G. S. Mills and Durward left last week for a motor trip to Vancouver.

Mr. and Mrs. E. Greenwood were visitors in Lethbridge last week, registered at the Alexandra Hotel.

Mrs. W. F. Clarke and baby, Marion, returned home to Parkland after visiting a few days in Macleod.

Bill Clarke, accompanied by his mother Mrs. C. Clarke and Master Teddy motored to Lethbridge on Wednesday last.

Shield Bros., of Rathwell, shipped a number of lambs on Tuesday to Lethbridge for the Sheep Show and Sale being held there this week.

Harold Oakland of the S. E. Gust Stores Ltd. returned last week from a holiday spent at Medicine Hat, S. E. Gust relieving him at the local store.

Mr. and Mrs. R. J. Crooks had as their guests lately their sister, Miss Ena Crooks, R. N.; Miss Pearl Brown, R. N., San Francisco, Calif.; Miss Joan Purchase and Miss Betty Stewart, Vancouver, B. C.

The president of the Ladies' Aid of St. Andrew's Presbyterian church, Mrs. J. D. Matheson, gave an afternoon tea at her home on Thursday for the benefit of the funds of the aid. A very large number of ladies took advantage of the occasion for a social cup of tea, with the result that the funds of the aid were considerably augmented. The rooms were beautifully decorated with flowers, the tea table and dining room with pink sweet peas and the parlors with pink and white asters. Mrs. H. H. McLean presided at the tea table and poured for the first half and Mrs. (Rev.) Ferguson for the second half hour. Mrs. Swin-

ton, Mrs. Tabor, Mrs. McFarquhar and Mrs. Bev McLean assisted with the serving.

Baron Andre Casvoey, of the Bow River Ranch, Cochrane, is the guest of Mayor and Mrs. J. W. McDonald, for a few days this week.

Dr. and Mrs. Alan H. Kennedy returned on Friday from an extended holiday trip in Eastern Canadian and U. S. cities.

Mrs. Cliff Church, Pincher Creek, was in Macleod for a few days last week visiting her father, Sam McCrea.

Mr. and Mrs. Jimmie Johnson of Macleod, Sask., formerly telegraph operator with the C. P. R. at this point spent several days in Macleod last week.

Miss Anora Brown, A. O. C. A., daughter of Mr. and Mrs. E. Forster Brown, Macleod, has been appointed art teacher in Mount Royal College, Calgary, and left on Tuesday for Calgary to commence her duties in the college.

On account of the inclement weather last Wednesday for the School Fair the attendance of visitors was very small and as the Society depends on the door and gate receipts to help pay the prizes and expenses, the amount collected last Wednesday was very small, and as the number of entries in all classes was nearly double the entries of last year, the prize money to be paid to the boys and girls will amount to about \$100.00 more than last year. The Executive of the Society find that they will be short about that amount and have decided to put on a Tag Day on Saturday, October 12th, as the best means of raising enough money to pay all prizes and expenses. The display of exhibits by the boys and girls was simply marvelous, considering the season, especially for vegetables,

and the Executive hope that the citizens of Macleod and district will be generous when the appeal is made on Saturday the 12th.

Mr. and Mrs. T. G. Stockton announce the marriage of their young daughter, Eva Marion, to Percy Rowland of Vancouver.

Constable Joe Ridley, A. P. P., of Barons, was a visitor in Macleod last week on business, and renewing old acquaintances.

Mrs. Rev. Knight, Mrs. Edwards, Mrs. Whipple and Mrs. Gillespie are in Calgary this week as delegates to the Provincial Women's Christian Temperance Union Convention.

School Inspector Morgan, of Lethbridge, was a visitor in Macleod last week, judging at the School Fair, and was accompanied by Mrs. Morgan.

Principal Gandier, of the School of Agriculture, Claresholm, was a visitor in Macleod last week, and assisted in the judging at the School Fair.

The Rally Day programme and promotion service in the United Church School on Sunday, Sept. 29, proved a delight to everyone. The beautiful floral decorations and more beautiful performance of the graduating groups gave abundant evidence of the work of the staff in every department during the year. The Trail Ranger Group were promoted to the Tuxis, a junior group of boys to the intermediate department each receiving a certificate of promotion. Explorers were promoted to the Trail Rangers, while all the Juniors participated in the music of the worship hour. On Friday, October 4, at 6 o'clock the school will hold its annual harvest treat in the form of a chicken supper for all members of the school and those just entering as new students this autumn term. A splendid time is anticipated.

A delightful evening was spent last Friday at the home of Mrs. Chas. S. Reach on 22nd Street, when Mrs. Reach had as her guest Miss L. McDougall, a bride-to-be. The occasion was made a Cup and Saucer Shower for the guest of honor, and the evening was spent in playing bridge, Mrs. Ralph Townsend and Miss Lillian Andrews being the prize winners. Miss McDougall thanked her friends in a few words for the lovely gifts and their expressions of good wishes for her future happiness. The guests included Miss McDougall, Miss Winnie Reach, Mrs. Wesley Shield, Mrs. W. J. Ryan, Mrs. H. C. Winter, Mrs. Geo. Seougan, Mrs. V. C. Huyche, Mrs. J. Dillingham, Mrs. R. Townsend, Miss Marjory Greenwood, Miss Mabel McCrea, Miss L. Bremner, Miss Josie Deman, Miss L. Andrews, Miss Olive Young. Dainty refreshments were served by the hostess, bringing to a close a most enjoyable evening.

## SUCCESS

"Stop!" yelled the film producer, and obediently the cameras ceased clicking.

The producer then walked over to the leading man.

"You expression is hopeless," he cried. "Try to look as if you really were indignant."

"I've done the best I can," retorted the actor, sullenly. "Nobody could do any better."

"Very well, your salary is reduced by \$20 from today!" snapped the other. "Now, that is the idea! Hold it. Take, please."

And the cameras clicked once more.—Christian Science Monitor.

## SHE OUGHT TO GET ALONG!

Sambo had found a job for the week on a railroad section gang, and was taking leave of his family when his wife came to the door—and shouted: "Come back here, Sam. You haven't cut a stick of wood for a stove—and you'll be gone a week!"

The Negro turned and looked very much aggrieved. "Honey," he said in a tone of injured innocence, "what's de matter? You-all talks as though Ah was takin' de ax with me."—Christian Science Monitor.

## FORESIGHTED

"I could see it was a quiet town as soon as I arrived," said a returned vacationer, the other morning, "so I wrote up my diary for two weeks in advance."—Detroit News.

## DO TELL!

A nice old lady was visiting a large city for the first time. As she walked up the street she saw a sign which read: "Smith Manufacturing Company." Whereupon she exclaimed: "Lawsy me—I've heard tell of Smiths all my life but I never did know before where they made 'em."

Said one prominent farmer to another, "Of course I grind the grain I feed." And we understand the fellow replied, "Yes, I know, so do I." We have helped a lot of good farmers around here save on feed costs by showing them the McCormick-Deering Feed Grinder.

Ladies: When the lid of a saucepan must be raised during cooking, use a clothspoon with a tack in the top near the head. Place the pin over the edge of the pan and rest the lid on the tack.

as though it's a good business to save those 40 pounds of corn. Especially since it is so easy to grind corn and other grains with a McCormick-Deering Feed Grinder.

If you sink a cork twenty feet under water it won't float. Don't call me that! Try it and see.

The McCormick-Deering line includes full-powered engines with removable cylinders, enclosed crankcase, magneto ignition, efficient fuel mixer, etc.

Visitor to Naples, looking at Mt. Vesuvius, was asked by a native Italian, "You haven't anything like that in North America have you?" "No," admitted the visitor, "but we have the Niagara Falls which would put that thing out in five minutes."

We can show you how to hook up a McCormick-Deering 1 1/2-h.p. Engine, with an overhead shaft, so you can operate the cream separator, washing machine, churn, and other equipment without having to move your engine from place to place.

Few of us know that the design of the British flag is that of the Cross of Saint Andrew laid on that of the Cross of Saint George, the flag being so formed when Scotland joined with Great Britain.
